About Sneh Milan

Who are we?
We are a bunch of young, dedicated & creative enthusiasts who share the same vision, passion and ambition. With the visf future, it is the passion of working hard to reach our objectives and the ambition of doing something which helps people en masse. Determination and hard work combined with wit, experience and humility work as a support system for us

; Our Omission
In the near 22 man-years which took us to develop Sneh Milan.com, a major part of it devoted to an extensive, across-the-board research, exploring the length and breadth of the existing matchmaking scene- we learnt to believe in the honesty of our social mission andrealized the strength and significance underlying these words that define our role:

- To create awareness amongst millions about the neglected yet crucially significant aspect of their lives

Our History
It was June 2001, a time when most dotcoms in India and across the globe were either history or still recovering from the serious economic blow. The decision to launch a matrimonial website at such a time was definitely not an easy task for us. sincerity and dedication of our motto & after a lot of serious thinking, we decided to venture into the task of reaching our mission; In April 2002, we launched a completely redesigned version of the matrimonial website, In March 2004, we acquired domain name Sneh Milan.com and decided to utilize it by making the most comprehensive and user friendly matrimonial matchmaking website ever. In November 2010, we launched the open beta version of Sneh Milan.com
